Dear NRI Friends

We the Trustees of Kakatiya Heritage Trust (KHT) Sri. B.V.PapaRao, IAS(Retd) and Prof.M.Pandu Ranga Rao have worked over a decade to bring Ramappa Temple in the World Heritage Site, with active cooperation of the Governments of Telangana and India . We formed the Trust in 2009 with the clear aim of getting international recognition for Kakatiya heritage. The inscription of Ramappa Temple as World Heritage is only a milestone but not the end of the journey.

We have been engaged in heritage education and heritage awareness. We have taken several initiatives to promote Kakatiya Heritage for over a decade. Now we are entering in to the phase of restoration of dilapidated monuments. Please visit our website : [www.kakatiyaheritagetrust.org](http://www.kakatiyaheritagetrust.org) to know more about us.

Kakatiya Heritage Trust is a nonprofit organization aiming to promote the Heritage of Kakatiyas . The Trust is in existence for last 12 years with all eligibility benefits under section 12(A) and 80(G) of Income tax .

We are glad to inform that the Government of India have recently approved an FCRA account for the Trust to facilitate the contributions from foreign donors. We request you contribute through our FCNR Account given below.

Yours Sincerely
